 The Laboratory Of Flowers,  
 Established in 1989, is dedicated  
 to providing organic and wild  
 essential oils whenever possible. If  
 we do not sell an organic essential  
 oil then it probably does not exist.  
 We carry 234 essential oils of  
 which:  
**114 are organic**  
**24 are select**  
 (non certified organic)  
**6 are Bio Dynamic,**  
**41 are Wild**  
**49 are conventional**

	<b>ABSOLUTES AND RARE AND PRECIOUS OILS</b>	<b>Absolutes are concentrated fragrances derived from plants through the use of industrial solvents. Although these solvents are removed during final distillation, residue amounts do remain. Absolutes are suitable for perfumery and when making exotic blends. Some absolutes are only available as an absolute and not as an essential oil. They are not suitable to be included in therapeutic blends.</b>

Carrier oils are fatty oils that are an excellent base for mixing essential oils as essential oils love fat. We carry 39 carrier oils because we feel that the carrier oil is as important as the essential oil. We classify our carrier oils into three categories **B** = Basic (for massage) **E** = Emollient (suitable for skin care) **S** = Specialty (for specific application).

**Floral Water or hydrosols are the waters that were used in the distillation of the plant, through steam. We specialize in organic floral waters from around the world and super concentrated hydrosols from Hawaii that are the results of a slow distillation over several days. Our floral waters contain no preservatives and have a shelf life of between 6 months to a year. Floral waters contain water soluble aromatic components not found in essential oils are all safe to use.**

<b>RESTORATIVE THERAPY SINGLE NOTE TREATMENT</b>	This profoundly relaxing therapy works on the back of the body and focuses primarily on the spine in 12 aromatherapy steps using ten essential oils, two synergies and specially infused oils such as arnica, calendula and St Johns Wort. The treatment includes skin brushing and massage to the head, scalp, neck, shoulders, back, hands and feet. On completion of the treatment a soothing anti-inflammatory blend (blue blend) is applied before hot compresses are applied for greater absorption. This extraordinarily potent treatment remains active within the body from five to seven days and is ideal for stress, back pain, jet lag, immune compromise, exhaustion and low energy.

**EDUCATION**

	<p><b>1. Beyond Scents (20 hours)</b>                  This course is the equivalent of aromatherapy 101 where all the basics are covered in order to provide a good foundation. This course is for beginners and includes and includes 1 x 95 minute video, 23 essential oil samples, 4 x 90 minute audio tapes carefully edited from the best of all the live classes and a 250 page workbook including a unique therapeutic index with over 100 recipes. A certificate is awarded after completion of an online test.</p>
<p><b>BEYOND SCENTS HOME STUDY COURSE</b></p>	<p><b>COST \$150.00</b></p>
	<p><b>2. Aromatherapy Series (20 hours)</b>                  This course is a collection of five individual lessons on aromatherapy. Lessons include The Psychology of Scent, Aromatherapy and Your Personality, Blending for First Aid, Balance and Reflection, Massage Skin and Hair Care and Living The Aromatic Life. More than 55 essential oil samples are included in addition to one home study course workbook, 5 x 90 minute audio tapes, 12 carrier oils samples, 15 empty blending bottles. A certificate is awarded after completion of an honor test. If you have read a number of aromatherapy books, have little or no formal training, enjoy practical application then this course is for someone like yourself who is seeking specific instructions on specific topics.</p>

	<p><b>3. Certification Course (100 hours)</b>                  This program is the home version of the live class and has been edited from the best classes since 1991. This course is a miniature version of the diploma course but in less detail. It is the most convenient way to cover a vast amount of material in a short period of time. This program is designed for those who want to study the subject of aromatherapy in greater detail and are possibly looking to incorporate aromatherapy into a career. It is a perfect addition to any massage, esthetics or alternative health program. The course features 25 x 90 minute audio tapes, a 300 page workbook, 3 hour video featuring: massage, skin, hair and reflexology treatment and blending supplies. A certificate is presented on completion of a multiple choice quiz and thesis. A Samples Set (see page 21) of 140 essential oil samples, 20 absolutes and 20 carriers is an optional addition for \$295.00 (regularly \$395.00).</p>
